About The 14th World Harp Congress, Cardiff, Wales

The World Harp Congress is the largest and most prestigious harp festival in the world. It attracts over 800 harpists from 50 countries and takes place every three years. The first of its kind in the United Kingdom, the 14th World Harp Congress will make its debut in Wales' Capital City of Cardiff in August 2021 at the Royal Welsh College of Music and Drama (RWCMD). Featuring the harp world's finest performers, pedagogues, academics and composers, the programme will include a wide range of exciting events, providing a unique platform for the gatherings of harpists and industry professionals.

The World Harp Congress, Inc. is a private non-profit organisation. It was founded in 1981 as an outgrowth of the International Harp Weeks held in The Netherlands for twenty years under the directorships of both Phia Berghout and Maria Korchinska. Past Congresses have been held in Maastricht, The Netherlands; Jerusalem, Israel; Vienna, Austria; Paris-Sèvres, France; Copenhagen, Denmark; Seattle-Tacoma, USA; Prague, Czech Republic; Geneva, Switzerland; Dublin, Ireland; Amsterdam, The Netherlands; Vancouver, Canada, Sydney, Australia and most recently Hong Kong. The World Harp Congress has members representing over 59 countries. The Board of Directors welcomes all persons who are interested in the harp to join this international organisation.
